

Maintenance work is available at public schools across the Hunter/Central Coast regions.

The NSW Government has committed to the largest investment in planned maintenance of public schools in NSW history. A record \$1.3 billion is being spent on an ambitious delivery program, with over \$100 million being invested to upgrade and maintain school infrastructure in the Hunter / Central Coast regions.

Want to work with us? We welcome all local trade and suppliers to join us at one of our Engagement Sessions.

Information about where and when you can meet us in person to find out more is listed below.

Scan the QR code on this page to show all of our events or use the codes from the following pages to go to the registration for a specific session.
