

What's been happening at Jewells Primary School...

We are looking forward to our new Principal, Mr Barry Croft, joining us on Monday 13th November. This is an exciting time for our whole community and we will all be extending Barry a very warm welcome to our school.

Our students continue to work hard and continue to aim to achieve our school expectations of Respect, Aspire, Belong.

Kindergarten Orientation

Our second Kindergarten orientation was another amazing success. Students took part in gardening, library and maths activities. It is lovely to see so many smiles and excitement from all the students. Our Year 4 buddies are doing an amazing job of supporting our new students with their transition to big school.

Grandparents Day

Kindergarten welcomed grandparents into their classrooms for a playdate and a picnic to show our appreciation of everything they do and to help celebrate National Grandparents Day. Kindergarten students loved showing their Grandparents how much they have grown in the last year. Thank you to all our grandparents who took the time to visit us.

Year 5 transition meeting

Year 5 parents had the opportunity to attend a workshop to help them prepare themselves and their child with the transition to High School. Lots of helpful advice and strategies were shared, we hope that you found it useful.

Crazy Camel

Thank you to all community members who supported our school with Crazy Camel purchases. The students have worked hard to create some amazing artworks which will make wonderful Christmas presents for everyone!

Homework

We are currently reviewing our Homework policy. Please log on to the school Facebook page to read a variety of interesting articles to help you complete the homework survey which we be sending home shortly.

P&C Fundraising

The wonderful P&C fund raising committee will be selling raffle tickets at the Belmont 16s on Thursday and Friday evening.

TerraCycle

We are still collecting recycled toothbrushes so please don't forget to bring them in!

School Crossing

Just a gentle reminder that school zones are in force before and after school. Parking in the no parking zones is strictly prohibited as this increases the dangers for students when they are crossing the road. Each afternoon teachers are on duty to ensure the safety of our students. Please support them by stopping when requested and showing patience when large numbers of students are crossing.

Slap Cheek

Please be aware that we have had a few reported cases of "Slap Cheek Virus" at school recently. It is contagious, but once the rash appears the virus is no longer infectious. This virus can be harmful to pregnant women. If you have any concerns at all please contact a medical professional.
