

# Jewells Primary School Newsletter

## Principals' message

Welcome back! I trust that everyone had an opportunity to rest, relax and make good use of family time. Though the weather may have hindered some opportunities during the holidays, it has been much appreciated in those rural remote areas for our farmers.

Shortly I will have completed my first year as principal of Jewells Primary School and as I reflect upon things so far, the lessons learnt and imparted can be quite simply articulated in the following few lines:

***"Respect is earned...***

***Honesty is appreciated...***

***Trust is gained ... and as a result,***

***Loyalty is returned"***.

Jewells Primary School is an exceptional school. Significant planning is underway to ensure that in 2019 we take things to a new and improved level.

## School Parliament – Student Leadership

Our current student leadership team have done a remarkable job in advocating for their peers and working alongside teachers and executive to ensure positive and proactive initiatives are up and running within the school. I would like to ensure that they are acknowledged and thanked for the work thus far and plant the seed now for those considering leadership in 2019.

Term four is always a very busy period at school. Shortly, students will embark upon nominations for 2019 School Parliament. As modelled, those students who are interested in taking on a leadership role within the school must be responsible, reliable, demonstrate initiative and lead by example.

The best leaders earn respect of their peers and the school staff by their attitudes towards others and towards their education.

Year 5 students will soon be given the opportunity to nominate as a candidate for leadership in 2019. Raise and nurture that pursuit. Please be aware that the best candidates will be elected into the role irrespective of gender.

## Colour Run

This Friday 19 October 2018, Jewells Primary P&C is holding a Colour Run at school. Every student is encouraged to participate.

All funds raised are dedicated to implementing a number of highly engaging and developmental asphalt artworks.

And Band Night

**Wed 5** Kindy Orientation 4

**Fri 14** Presentation Day

# Jewells Primary School Newsletter

All funds raised are dedicated to implementing a number of highly engaging and developmental asphalt artworks. Children are asked to bring a spare change of clothes to school, most importantly a plain white shirt. (The colour powder is made of high quality corn starch with permitted food colours. It is non-toxic, biodegradable, skin sage and environmentally friendly).

## Opportunity Class offers 2019

I am extremely excited to see the list of names of students who have been successful in placing in the Opportunity Class for 2019. I know that offers are currently being made with some students patiently waiting on the reserve list. The 2019 scholastic year is going to be an exciting and vibrant time for all of our students, with some new initiatives and changes being made. Give careful consideration when deciding on an offer being made. This is a great opportunity.

## Selective High School Year 7 Applications 2020

Selective High School applications are now open for year 7 2020. Parents must apply online at the following link: Parents must apply **online** at the following link: <https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-7>

## Scripture Planning for 2019

The school is working very closely with our SRE teachers to ensure effective planning for scripture lessons in 2019. Heading home this term will be a note requesting that parents give careful consideration to whether their child is involved in cross denominational scripture lessons (Catholic, Anglican etc). The scripture sessions are a fun, interactive way for students to consolidate those values that we nurture both at home and at school. When your child brings their scripture note home soon, please take the time to complete it and return it to the office.

## Kinder Orientation

This term our new Kindergarten students for 2019 will participate in orientation sessions:

**Thursday 25 October 9.45am-11.30am**

**Wednesday 7 November 12.15pm-2.15pm**

**Tuesday 20 November 12.15pm-2.15pm**

**Wednesday 5 December 9.45am-11.30am**

At the beginning of each session parents will need to bring their child to the COLA area, where they will meet with their buddy group. The children will then participate in a number of fun and interactive activities. This is an invaluable time for them to become familiar with the school, some preliminary expectations and rules.

## Term 4 Expectations

Term 4 is an exciting time for many students, especially as they prepare for landmark transitions such as moving on to High School. Although this is a very busy and vibrant term with many scheduled extra-curricular activities planned, I must advise all parents that any unacceptable behaviour that breaches the school wellbeing and discipline policy may result in withdrawal from such activities, in addition to possible suspension from school. I would expect that all students, even when reminded, demonstrate respect, care and safety, upholding our motto and exhibiting our school values.

**SAVE THE DATE**

**Jewells Primary School**

**Christmas Spectacular!**

When: Friday 30th November, 5-8pm

Where: Jewells Primary Top Oval/Asphalt

What to bring: BYO Picnic dinner/picnic rug/camp chairs

(due to Department regulations, the Christmas Spectacular must be an alcohol free event)

All Jewells Primary students will be performing either in their class item or as a part of their specialised groups (Band, choirs, aerobics)

There will also be a coffee van, a Slushie van and a Mr Whippy Ice Cream van available for spectacular treats!

More information will be sent home over the coming weeks.  
We hope to see you there!
