Principals' message

It is hard to believe that we are half way through the term already. Sporting activities are well under way with students representing Jewells Primary School in an outstanding manner always bringing pride to our school through exemplary behaviour and sportsmanship.

Naplan is almost complete along with check-in assessments and I am so impressed with the effort of all the children. The teaching and learning activities across the school are of a very high standard making a real difference to the outcomes of all students.

Jewells Primary School is certainly a busy place with Starstruck rehearsals, band practice and aerobics adding so many opportunities for students to follow their passions.

We will be holding a special day on Wednesday the 9th of June to celebrate Mr Croft's time as principal at Jewells Primary School. Mr Croft loved dressing up to celebrate different events so we are going to have a dress up for Mr Croft Day. Elders from the Aboriginal Education Office will be joining us on this day to honour Mr Croft with a smoking ceremony. There will be an opportunity during the day for the community to also join in the smoking ceremony. More details will follow in a note home closer to the date.

Mrs Wasson
Relieving Principal
